

International online conference
STROKE MANAGEMENT UPDATE COURSE (SMUC) 2021
Current management of stroke and chronic cerebral ischemia

ORGANIZING COMMITTEE: Department of Neurology and Neurosurgery with a course of complex rehabilitation of RUDN and EMC Medical School.

AUDIENCE: Neurosurgeons, neurologists, neuroradiologists, general practitioners, rehabilitologists, neuroradiology, occupational therapists, oncologists, oncologists – radiologists.

CHAIRMEN: Prof. A. Krivoshapkin (Russia), Prof. P. Kamchatnov (Russia), prof. A. Spallone (Italy).

DATE & VENUE: Online 17.04.2021

REGISTRATION <https://www.emc-school.ru/action/mezhdunarodnaya-layn-konferenciya-stroke-management-update-course-smuc-2021-sovremennye>

17 April 2021

09:50 - 10:00	Joining a webinar platform	
09:50 - 10:00	Greetings	Alexey Krivoshapkin, Pavel Kamchatnov
10:00 - 10:20	Non-invasive contrast enhanced neuroimaging for chronic cerebral ischemia and stroke	Irina Gustova (Russia)
10:20 - 10:40	MRI for imaging of chronic cerebrovascular pathology	Elena Kremneva (Russia)
10:40 - 11:00	Neuroimaging in Ischemic stroke: differential diagnosis	Irina Krotenkova (Russia)
11:00 - 11:20	Carotid endarterectomy: overview of the exciting techniques and personal long-term experience	Jean-Michel Derlon (France)
11:20 - 11:30	Discussion	Alexey Krivoshapkin, Pavel Kamchatnov, Alexey Gaitan
11:30 - 11:50	Current approaches in radiotherapy of cerebral AVMs	Nidal Salim (Israel)
11:50 - 12:10	Current approaches in radiotherapy of cerebral vascular malformations after incomplete endovascular obliteration	Evgeniy Polovnikov (Russia)
12:10 - 12:30	Quality of prior antithrombotic therapy and severity of ischemic stroke in atrial fibrillation	Madina Burzhunova (Russia)
12:30 - 12:50	Factors determining the disease course in case of vascular cognitive impairment	Pavel Kamchatnov (Russia)
12:50 - 13:10	Prevention of vascular spasm in patients with SAH due to rupture of cerebral aneurysms	Alexandr Pirodov (Russia)
13:10 - 13:30	Stroke in atrial fibrillation: heterogeneity of risk factors and personalized prevention	Naida Garbova (Russia)
13:30 - 13:50	Innovations in stroke management: a neurologist's view	Konstantin Makhinov (Russia)
13:50 - 14:00	Discussion	Alexey Krivoshapkin, Pavel Kamchatnov Alexey Gaitan
14:00 - 14:20	The current state of cerebrovascular neurosurgery. Analysis of personal long-term experience.	Aldo Spallone (Italy)

14:20 - 14:40	Multimodal management of cerebral arteriovenous malformations	Kirill Orlov (Russia)
14:40 - 15:00	Endovascular treatment of Galen's vein malformations	Pavel Seleznev (Russia)
15:00 - 15:20	Assisted techniques for endovascular treatment of cerebral aneurysms in the acute period of their rupture	Vadim Berestov (Russia)
15:20 - 15:40	Endovascular treatment of chronic subdural hematomas	Moisey Aronov (Russia)
15:40 - 16:00	Post-stroke cognitive impairment	Anastasia Medvedeva (Russia)
16:00 - 16:20	Brain revascularization technologies: overview of the exciting techniques and personal long-term experience	Evaldas Cesnulis (Switzerland)
16:20 - 16:40	Discussion	Alexey Krivoschapkin, Pavel Kamchatnov, Alexey Gaitan

SPEAKERS :

Alexey Krivoschapkin Corresponding Member of the Russian Academy of Sciences, Professor, MD, Head of the Department of Neurosurgery, JSC «European Medical Center» (Russia)

Jean-Michel Derlon Professor of Neurosurgery (France), PhD, neurosurgeon, JSC «European Medical Center»

Evaldas Cesnulis Professor of neurosurgery (Switzerland), neurosurgeon, JSC «European Medical Center»

Nidal Salim Director of the Institute of Oncology. A Clinical Oncologist. Radiation Oncologist (Israel)

Aldo Spallone Professor of Neurosurgery (Italy), Professor of the chair of neurology and neurosurgery Peoples' Friendship University of Russia

Madina Burzhumova PhD, Neurologist, Associate Professor of the Chair of Neurology and Neurosurgery, Peoples' Friendship University of Russia (Russia)

Alexey Gaitan PhD, neurosurgeon, JSC «European Medical Center», Associate Professor of the Chair of Neurology and Neurosurgery, Peoples' Friendship University of Russia (Russia)

Naida Garbova MD, PhD, neurologist, Associate Professor of the Chair of Neurology and Neurosurgery, Peoples' Friendship University of Russia (Russia)

Irina Gustova PhD, CT specialist/MRI diagnostics of JSC «European Medical Center» (Russia)

Irina Krotenkova PhD, CT specialist/MRI diagnostics of JSC «European Medical Center» (Russia)

Makhinov Konstantin neurologist of JSC «European Medical Center» (Russia)

Anastasia Nered doctor-radiologist of the network of medical centers «Medscan» (Russia)

Kremneva Elena M.D., Ph.D., specialist in CT / MRI diagnostics, senior researcher at the scientific center of Neurology of the Russian Academy of Sciences (Russia)

Moisey Aronov Candidate of Medical Sciences neurosurgeon, endovascular surgeon of JSC " European Medical Center» (Russia)

Pavel Kamchatnov Doctor of Medicine, Professor of the Department of Neurology, Neurosurgery and Medical Genetics of the Medical Faculty of the Pirogov Russian National Medical University (Russia)

Kirill Orlov M.D., Ph.D. Endovascular neurosurgeon Head of the Center for Angioeducation and Neurosurgery of the National Research Medical Center. akad. E. N. Meshalkina (Russia)

Anastasia Medvedeva PhD, Neurologist JSC «European Medical Center» (Russia)

Alexandr Prirodov Doctor of Medical Sciences, Professor of the Department of Neurology and Neurosurgery of the Russian Academy of Medical Sciences, Head of the Neurosurgical Department of the N. V. Sklifosovsky Research Institute of Emergency Medicine (Russia)

Pavel Seleznev NMC neurosurgeon doctor named after him. Akad. E. N. Meshalkina

Evgeniy Polovnikov Candidate of Medical Sciences, Head of the Department of Oncology and Radiosurgery of the National Research Medical Center. Academician E. N. Meshalkina (Russia)

Vadim Berestov Candidate of Medical Sciences, neurosurgeon of the National Research Medical Center. Academician E. N. Meshalkina (Russia)
